

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

HYDROFLOW USA LLC ,

Plaintiff,

v.

ECO INTEGRATED TECHNOLOGIES,  
INC et al,

Defendants.

CASE NO. 2:23-cv-01317-TL

ORDER GRANTING MOTION TO  
CONTINUE DEADLINE FOR  
RESPONSE TO PRELIMINARY  
INJUNCTION MOTION

This matter comes before the Court on Defendants ECO Integrated Technologies, Inc., Jess Rae Booth, and Walter Carlson's request for an extension of twenty-one (21) calendar days (Dkt. No. 17) to respond to Plaintiff HydroFLOW USA, LLC's motion for preliminary injunction (Dkt. No. 14). Plaintiff does not oppose the motion. Dkt. No. 23.

The Court thus EXTENDS the deadline for Defendants to respond to the motion to **November 6, 2023**, and correspondingly EXTENDS the deadline for Plaintiff's reply to **November 10, 2023**. The Clerk of Court is DIRECTED to re-note the motion for preliminary injunction (Dkt. No. 14) for **November 10, 2023**.

1 As a separate matter, Defendants appear to be confused about whether the preliminary  
2 injunction motion has been set for a hearing. *See* Dkt. No 17 at 8 (asking the Court “to continue  
3 the hearing”). A party seeking a hearing on any matter is required to indicate this request by  
4 including the words “ORAL ARGUMENT REQUESTED” in the caption of its motion or responsive  
5 memorandum. *See* LCR 7(b)(4). Should the Court determine that a hearing on the preliminary  
6 injunction motion would be helpful, the Court will reach out to the Parties to schedule a date and  
7 time. *See* Judge Tana Lin, Standing Order for All Civil Cases, Section VI.A (last updated June  
8 16, 2023).

9 Dated this 16th day of October 2023.
